Recognizing that students need more than an abstract description of financial markets and institutions as they train to become managers successfully working in, or interacting with, the financial service industry, Mishkin and Eakins examine models and concepts through the eyes of a practicing financial manager to see not only why they matter, but also how they are used in the real world. In this way, students learn to place themselves in the role of decision-maker and envision how they might ...

Mishkin & Eakins, Financial Markets and Institutions, 8th ...

11.1 What are Financial Institutions ?

- Financial intermediaries are firms that collect the funds from lenders and channel those funds to borrowers (Mishkin)
- Financial intermediaries are firms whose primary business is to provide customers with financial products and services that can not be obtained more efficiently by transacting directly in securities markets (Z. Bodie & Merton)
- Any classification of ...
