I used this to repair a rock chip on my Sprinter van. Ive used Permatex in the past with good results and thought this would be similar. Unfortunately the repair only filled the pit and not the cracks even though i used a heat gun as suggested in the instructions so the pit/star is still quite visible.

Hello I have a 1985 Coachmen Van RV. I have power on the two main red and green wires that go to the battery on the right side of the fuse panel. The ones that go directly to the house battery. But I don't seem to have any power at the fuses themselves. Inadvertently shorted out both green and red wires at the battery.
