### Guide to Graduate Admissions - The Graduate School

The MS degree in Mineral and Energy Economics is the division's most popular program. In the first year, students are trained in the core skills necessary for graduate-level economic analysis of energy, mineral and environmental topics.

### Mineral and Energy Economics - Economics | Business ...

These things are much more important than the departments, or university rankings, or number of Ph.D.'s or other materialistic qualities. So, if you are applying to multiple universities, you need to factor in all these qualities of every university, and customize your statement accordingly. Mere changes in names and details won't suffice.
