6. Being a musician is so much more than just playing the notes. It's also important to understand your instrument, its repertoire, the history of the period and why the music is written a certain way. For example, if you are singing in a foreign language, make sure you translate the libretto so you understand the true meaning behind the words.

I'm learning to read music. I'm at the point where I can sight-read basic tunes on the treble and bass clefs (I've almost finished Alfred's Vol. 1). However, I've noticed that my mind always wants to make shortcuts when reading music. I rarely ever actually think about, or consciously process, what pitch the notes are in the sheet music.
