breaking open to make room for new life and new faith? In the new book *Navigating Mormon Faith Crisis*, Thomas McConkie draws on the study of adult development to provide a map for people who find themselves in faith crisis, fearing they might have taken a wrong turn in their spiritual progression.

Navigating Mormon Faith Crisis: A Simple Developmental Map ...

Using the lens of adult developmental psychology McConkie has expounded the topic of Mormon Faith Crisis in an easily accessible, deeply inclusive way. In fact, what most people see as a "Crisis" he subtly shifts to identifying as a "Faith Transition". This resonated with me, and I'm sure many reading the book, to be intuitively true.

Navigating LDS Faith-Based Transition | Tiffany Roe School

Religion and spirituality often play a vital role in healing for people belonging to or practicing a religion. In these communities, people experiencing mental health concerns often tend first to seek care from a faith leader. They depend on God for healing and may regard receiving psychiatric services as a weakness of their faith.
