Notes & Comments on Robert's Rules

To save you time and unnecessary work, Robert's Rules spells out exactly what needs to go into your minutes. Minutes are important because they're the only surviving record of what was said and done at the meeting. They can be dry and boring. In fact, it's probably a good sign if they are! Most importantly, [...]

Robert Butts contributed notes and comments to all the Seth books, and thus was a co-author on all of them. The Seth personality described himself as an "energy personality essence no longer focused in physical reality" who was independent of Roberts' subconscious, although Roberts herself expressed skepticism as to Seth's origins.

Never silent for long, Trump defended his own comment, tweeting defiantly, "Sorry Justice Roberts." The pre-Thanksgiving dustup was the first time that Roberts, the Republican-appointed leader of the federal judiciary, has offered even a hint of criticism of Trump, who has several times blasted federal judges who have ruled against him.

Robert Conquest's Three Laws of Politics: Everyone is conservative about what he knows best. Any organization not explicitly right-wing sooner or later becomes left-wing. The simplest way to explain the behavior of any bureaucratic organization is to assume that it is controlled by a cabal of its enemies. John Derbyshire adds this:
