Penetration Testing with BackBox: Uygur, Stefan Umit ...

File Type PDF Penetration Testing With Backbox Uygur Stefan Umit

This is my review of the 100 page pen-test primer, Penetration Testing with BackBox written by Stefan Umit Uygur. Right off the bat, it should be mentioned that Stefan is part of the BackBox team as their public relations specialist, so I wouldn't exactly call this book unbiased. It's a cheap book on Amazon, you can get the kindle edition for \$10, which makes it a fairly priced, light read ...
