English Poetry, Second Edition Bibliography: D
This second edition of an anthology long considered a classic is certain to become the definitive book on media poetry for our time. Media Poetry: An International Anthology is the first international anthology to document a radically new poetry which takes language beyond the confines of the printed page into a non-linear world of multimedia, interactivity and networking.

Media Poetry: an International Anthology
A new edition of the English Poetry collection with enhanced functionality and more than 20,000 new poems. English Poetry, Second Edition offers incomparable representation of the literary heritages of former colonial countries and the poetic legacies of English writers who have only been brought back to scholarly attention during the last thirty years.
