Part 1: The Principles of How We Work. James Sulak 17 Jun 2020 • 8 min read James Sulak is FlightAware's VP of Engineering. In early 2019, as our engineering team grew, it was becoming clear that our old ways of working were beginning to stretch and fray. Our engineering team was about 50 people, divided into 11 teams,

Principles Of  
Engineering (POE) is a  
high school-level  
survey course of  
engineering. The  
course exposes  
students to some of  
the major concepts  
that they will  
encounter in a post

Directions: Part B is an open-notes, closed-book test. No software applications may be used to assist you during this test. To receive full credit on any problem that requires calculations, you must: 1) identify the formula you are using, 2) show substitutions, and 3) state the answer with the correct units.
