This online broadcast quantum entanglement for ...

### **Quantum Entanglement For Babies Baby University**

The illustrations were a bit plain, even for baby book standards, and we felt the author could have done a better job at explaining this theory. We did like it a little better than the Quantum Physics for babies book though.

### **Amazon.com: Customer reviews: Quantum Entanglement for ...**

If babies can learn about quantum entanglement, so can you! So quantum entanglement is hard to get your head around, right? I mean, Albert Einstein described it as “spooky action at a distance.” (Which really is a pretty boss description.)
