When it comes to horses, 'older' usually means ten to fifteen years old, but many horses in their twenties are still great riding horses. If you only plan to ride recreationally once a week or so, an older horse is a perfect choice.

Buying Your First Horse - Is Older or Younger Better?

One of the things every horse owner should consider is the fact that horses don't live forever, nor do they stay rideable forever. It might seem overly simple to state it in that fashion, but we really don't like to think about horses getting old, getting hurt, or dying. Our imaginations enable us to envision the Black Stallion living in endless glory...and even though we understand the ...
