If you're into exercise and on the hunt for a new business opportunity, starting up your own gym is definitely worth a look. The global health club industry rakes in a cool \$81.2 billion each year. American gyms alone enjoy a market size of just under \$26 billion a year — and they're not struggling for customers, either.

How to Start Your Own Gym - Small Business Trends

It's crucial that you do so because you want to attract the right customer to your business. Remember, if you're selling to everyone, you're selling to no one. To establish a brand, you need to cater to a niche. That way, you attract the right people - those who're interested in your offering and who you want to do business with.
