Soa In Practice The Art

This book demonstrates service-oriented architecture (SOA) as a concrete discipline rather than a hopeful collection of cloud charts. Built upon the author's firsthand experience rolling out a SOA at a major corporation, SOA in Practice explains how SOA can simplify the creation and maintenance of large-scale applications. Whether your project involves a large set of Web Services-based components, or connects legacy applications to modern business processes, this book clarifies how -- and ...

SOA in Practice: The Art of Distributed System Design ...

SOA (Service Oriented Architecture) is hype. According to Gartner, by 2008, SOA will provide the basis for 80% of development projects. However, we see all the effects of a hype of a very new topic. Incredible misunderstandings, wrong promises, and false experts.

SOA in Practice by Josuttis, Nicolai M. (ebook)

SOA in Practice was a great introduction to Service Oriented Architecture. What I particularly liked about the book was how the author walks the reader through each aspect of SOA and the provides insights based on his experience into the pro's and con's of different approaches.
