This report is a literature review on Indigenous women's offending patterns and therefore provides an important contribution to understanding an often neglected area of criminal justice. The report presents information on Indigenous women as offenders and prisoners, as well as considering the issue of over-policing, including for juvenile Indigenous females.

### Indigenous Women's Offending Patterns: A Literature Review ...

Australian literature, the body of literatures, both oral and written, produced in Australia.. Perhaps more so than in other countries, the literature of Australia characteristically expresses collective values. Even when the literature deals with the experiences of an individual, those experiences are very likely to be estimated in terms of the ordinary, the typical, the representative.

Examples and Observations "Even though we use the term 'social dialect' or 'sociolect' as a label for the alignment of a set of language structures with the social position of a group in a status hierarchy, the social demarcation of language does not exist in a vacuum. Speakers are simultaneously affiliated with a number of different groups that include region, age, gender, and ethnicity, and ...
