Practice theory - Wikipedia

The field of sociology itself is a relatively new discipline and so, by extension, is the field of sociological theory. Both date back to the 18th and 19th centuries, periods of drastic social change, where societies would begin to see, for example, the emergence of industrialization, urbanization, democracy, and early capitalism, provoking (particularly Western) thinkers to start becoming ...

Sociological theory - Wikipedia

Sociology will help you look deeply and neutrally into societal issues. It throws its focus to how societies balance together and change, and the cost of that social change.
