COS2611 - May/June 2014 - Question 2

This is designed as a follow-up to the AQA June 2014 exam. If you attempted the 2014 exam paper as part of your exam prep, you may benefit from trying this one next. The questions are very closely based on the 2014 exam, so the skills being tested are the same, but I have changed the functions and expressions, etc, so you won't just be answering the same questions all over again.
