Sleep Solutions Northwest are sleep professionals that deliver! Diagnosed with severe obstructive sleep apnea and unable to tolerate a C-pap, I was sent to Sleep Solutions by my doctor. I honestly was a bit skeptical that a dental appliance would be a good fit for me but kept an open mind. The clinic is beautiful, Kirsten the receptionist, warm and friendly and Dr. Rich, patient and informative.

Helping Patients with Sleep Apnea - Sleep Solutions Northwest

All sleep apnea treatments work similarly. The aim is to enlarge or keep airways open during sleep. There are several treatments that work: losing weight, sleeping position, dental devices, Continuous Positive Airway Pressure (CPAP) and, in extreme cases, surgery. The most commonly used and best known of the available treatments is CPAP.
