The American Way of Death On the return of the federal executions . USA Today. w o r d f a c t o r y. Last week, inside a small, green-tiled room in Terre Haute, Indiana, the federal government executed Daniel Lee, Wesley Purkey, and Dustin Honken. Lee spent his ...

The American Way of Death | Daniel Fernandez

A FEW decades ago, we knew perfectly well what to make of the American way of death. It was overly sentimentalized, highly commercialized, and, above all, excessively expensive. We knew all this because our British friends, both visitors and expatriates, had told us so. The first major assault was Evelyn Waugh's 1948 novel, The Loved One.

Whatever happened to the American way of death? | National ...

The American concept of death and dying was altered through growing medical technology, and the shift from the home to the hospital as the place where death usually occurred. The growth of the funeral industry was another factor in changing the American way of death.

Jeffery A. Johnson -- Denial: The American Way of Death

Just before her death in 1996, Mitford thoroughly revised and updated her classic study, The American Way of Death Revisited confronts new trends, including the success of the profession's lobbyists in Washington, inflated cremation costs, the telemarketing of pay-in-advance graves, and the effects of monopolies in a death-care industry now dominated by multinational corporations.

Death, American Style ... Death is as good as any way to read the values of a society at a particular point in time, a central component of any civilization.

Death, American Style | Psychology Today

The American Way of Death helped Americans establish a sense of control over their spending on funerals, but it didn't examine larger questions about the meaning of the death ritual. Despite the work of psychiatrists such as Elisabeth Kübler-Ross (whose first major work, On Death and Dying , came out in 1969), many of us are still without good guides to death.
