Department of Art and Archaeology

The Department of Art History and Archaeology is a community of students and scholars that focuses on visual, material and textual expressions as a means to understand culture. We critically engage with the reality of living in a world of images, working across a wide range of histories, perspectives and values.

Scythian art is the art associated with Scythian cultures, primarily decorative objects, such as jewellery, produced by the nomadic tribes of the area known as Scythia, which encompassed Central Asia, parts of Eastern Europe east of the Vistula River, and parts of South Asia, with the eastern edges of the region vaguely defined by ancient Greeks. The identities of the nomadic peoples of the ...

Scythian art - Wikipedia

The lively drapery, twisting pose, and dramatic setting create a dynamic composition that has much in common with the art of Pergamon (see supplement on the Great Altar of Pergamon). Although the Nike's arms and head are missing, a hand discovered in 1950 clearly shows that the goddess was not holding a victory wreath, her usual attribute ...

Archaeology - Archaeology Magazine

Patayan is a term used by archaeologists to describe prehistoric and historic Native American cultures who inhabited parts of modern-day Arizona, west to Lake Cahuilla in California, and in Baja California, between 700–1550 A.D. This included areas along the Gila River, Colorado River and in the Lower Colorado River Valley, the nearby uplands, and north to the vicinity of the Grand Canyon
