The Birth Of The Palestinian

The birth of the Palestinian refugee problem, 1947-1949, is the work which started a new trend in Israeli historiography 30 years ago. I believe the book has aged well, and if read without an overarching agenda for either side, appears to be a fair assessment of the creation of what would become one of the most difficult and long lasting ...

The Birth of the Palestinian Refugee Problem Revisited ...

While the Israeli-Palestinian conflict remains at a stalemate, hardliners in Israeli politics will continue to use demographics, including birth rates and population figures, to maintain the status quo of remaining both an occupying force and having a dominant Jewish identity within the state of Israel.

The Politics of Demography in the Israeli-Palestinian ...

The Birth of the Palestinian Refugee Problem Revisited is an impressively researched study, which benefited from the declassification of a trove of documents since he wrote his original book. Still, as thorough as Morris has been, he is still limited by the near total lack of access to Arab sources and the continued classification of some Israeli material.
