The text provides a wealth of features that enhance skill-building, including new group ...

The Cosmic Perspective: The Solar System (7Th Edition ...

The cosmic perspective reminds us that in space, where there is no air, a flag will not wave—an indication that perhaps flag waving and space exploration do not mix. The cosmic perspective not only embraces our genetic kinship with all life on Earth but also values our chemical kinship with any yet-to-be discovered life in the universe, as well as our atomic kinship with the universe itself.

The Cosmic Perspective - Neil deGrasse Tyson

Parker Solar Probe recently gifted us exciting new science. Among the list, it taught us that the (relatively) slower solar wind emerges from coronal holes near the Sun's Equator. Meanwhile, the faster solar wind seems to originate from coronal holes near the Sun's poles.
