Devastation of American Women

Through my investigation on the effects of historical colonization on the American Indian population, I found a relationship between cultural devastation and long-lasting effects. Specifically, experiences of historical loss and forced acculturation alter the well-being of many American Indians. Furthermore, through my exploration of contemporary means of cultural violence, discrimination, and stigmatization of American Indians, I also found a significant impact on the well-being of these ...

Genocide debate. The concept of genocide was defined in 1944 by Raphael Lemkin. After World War II, it was adopted by the United Nations in 1948. For Lemkin, genocide was broadly defined and included all attempts to destroy a specific ethnic group, whether strictly physical through mass killings, or cultural or psychological through oppression and destruction of indigenous ways of life.

Genocide of indigenous peoples - Wikipedia

In "The Cultural Devastation of American Women", Nancy Levant fingers a problem that this reader wasn't aware existed. The influence of mass media entertainment shows, which promote the notion that average, middle-class women can look and live like stars, has had a highly damaging effect on the family.
