The Dictionary Of Demons Names

The Dictionary of Demons starts with a simple premise: names have power. In medieval and Renaissance Europe, it was believed that speaking a demon's true name could summon it, compel it, and bind it. Occult scholar Michelle Belanger has compiled the most complete compendium of demonic names available anywhere, using both notorious and obscure sources from the Western grimoiric tradition.

The Dictionary of Demons: Tenth Anniversary Edition

This is a list of demons that appear in religion, theology, demonology, mythology, and folklore. It is not a list of names of demons, although some are listed by more than one name. The list of fictional demons includes those from literary fiction with theological aspirations, such as Dante's Inferno. Because numerous lists of legendary creatures concern mythology, folklore, and folk fairy ...
