A Defiler is a massive Daemon Engine in the service of the Traitor Legions of Chaos and it is a truly potent beast of war, mounted upon six massive spine-legs. It is twice the size of most other Daemon Engines and is possessed of a temper to match. Each Defiler is roughly tank-sized, and both extremely violent in its actions and indiscriminate with who bears the brunt of its wrath. Whether ...

I. Introduction. In the early years of the nineteenth century, Americans' endless commercial ambition—what one Baltimore paper in 1815 called an “almost universal ambition to get forward”—remade the nation. 1 Between the Revolution and the Civil War, an old subsistence world died and a new more-commercial nation was born. Americans integrated the technologies of the Industrial ...
