### 3 Ways You Could Lose Your Pension—and How to Fight Back

The Employment Retirement Income Security Act of 1974 (ERISA) is a federal law establishing standards for private pension plans. ERISA does not require employers to have pension plans, but enforces rules for those that do (affecting pension plans that began on or after Jan. 1, 1975).

### ERISA - Employment Law - FindLaw

The Employee Retirement Income Security Act of 1974 (ERISA) is intended to protect the retirement assets of American workers by setting minimum standards for pension plans in the private sector.

### FAQ: Pension Plans and ERISA - FindLaw - Employment Law

ERISA protections, which are mandated by federal law, specifically prohibit employers from terminating employees prior to the vesting of their retirement plans in order to avoid the payment of a pension or the issuance of other pension benefits to the employee.

### Firing Employees Just Before Retirement Vests

The federal law that protects retirement benefits is known as the Employee Retirement Income Security Act (ERISA). To obtain pension plan benefits, an employee must file a claim for benefits. The employee files the claim with the pension plan. In some instances, a plan will deny the claim. Employees may appeal this denial.
