Spain - Spain - The Spanish Inquisition: With its large Muslim and Jewish populations, medieval Spain was the only multiracial and multireligious country in western Europe, and much of the development of Spanish civilization in religion, literature, art, and architecture during the later Middle Ages stemmed from this fact. The Jews had served Spain and its monarchs well, providing an active ...

Spain - The Spanish Inquisition | Britannica

Known as Marranos, those nominal converts from Judaism were perceived to be an even greater threat to the social order than those who had rejected forced conversion. After Aragon and Castile were united by the marriage of Ferdinand and Isabella (1469), the Marranos were denounced as a danger to the existence of Christian Spain.

The secret Jewish history of Rita Moreno - The Forward

The Catholic Reformation. The Catholic Reformation was a reform movement that took place within the Roman Catholic Church during the sixteenth and seventeenth centuries. The movement is also known as the Counter Reformation, but many historians prefer not to use this term because it suggests that changes within the church were simply a reaction to Protestantism.
