Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

By far, one of the aspects of Promise of Amazing is Wren and Grayson's connection. You can turn your nose at it and call it instalove if you wish, but I loved the way these kids couldn't stay away from one another. It wasn't creepy or stalker-esque (but their conversation about that is sooo precious).

ARC Book Review: The Promise of Amazing by Robin ...

The Promise of Amazing by Robin Constantine was unfortunately the opposite of amazing. As much as I wanted to love this book, it was just not as amazing as promised. Wren was a flat and boring character and the whole story had not much substance apart from the two teenagers falling in love.
