Her mother thought that young girls learnt things better if they studied them at regular hours. 23. How does Tommy describe the old kind of school? Answer: Tommy describes the old school as a special building where all the children went to study together. The students of the same age-group learnt the same things which were taught by human teachers.

### **The Fun They Had Extra Questions and Answers Class 9 English - Study Path**

Epistemology is the study of knowledge—how we know. Logic is the study of valid reasoning—how to reason. Ethics is the study of right and wrong—how we should act. Phenomenology is the study of our experience—how we experience. The domains of study in these five fields are clearly different, and they seem to call for different methods of ...
