The Universal Tone My Life

The Universal Tone is about this and a lot more, beginning with his childhood and bringing us to present day. Santana takes us through the moments and the meanings behind them. Like his concerts, he w l listened to rock for most of my life, so I had no idea on any of the following things:

The Universal Tone: My Life by Carlos Santana

Carlos Santana's unforgettable memoir offers a page-turning tale of musical self-determination and inner self-discovery, with personal stories filled with colorful detail and life-affirming lessons. The Universal Tone traces his journey from his earliest days playing the strip bars in Tijuana while barely in his teens and brings to light the establishment of his signature guitar sound; his roles as husband, father, recording legend, and rock guitar star; his indebtedness to musical and ...

The Universal Tone, My Life By Carlos Santana ...

Carlos Santana's autobiography, The Universal Tone, is a great read for his fans. It comes through as honest and thorough despite the air brushings and embellishments such accounts have. Santana tells you at the outset what the book gives and does not give, so that you know. Santana is one of my all-time favorite guitarists.
