TouchMath Kindergarten

We recommend this program for use as a complete general classroom math curriculum or for Rtl programs required to adhere to the Common Core or State Standards. Two critical areas defined by the Kindergarten standards provide meaningful instruction and repetition that leads to success: (1) representing and comparing whole numbers and (2) describing shapes and space.

TouchMath Makes Kindergarten Math Fun & Friendly.

TouchMath is a multisensory math program that makes critical math concepts appealing and accessible for students who struggle to understand grade-level content.
