Transition To Post Primary School Educational

Post Primary Transfer Profile This is suggested as a means by which parents and school staff can review the child's current special educational needs in preparation to transition to post-primary education. By gathering all relevant information to pass on to a new educational placement, there is better continuity. The Post-Primary Transfer

Transition from Primary to Post Primary School

Moving from primary to post-primary school is a big change for your child and for you as a parent, especially if they have not gone to an Irish-medium primary school. There are two big transitions for them to navigate - personal and social changes, and academic changes.
