Resolutions of the 74th Session - UN General Assembly
A United Nations General Assembly Resolution is a decision or declaration voted on by all member states of the United Nations in the General Assembly. General Assembly resolutions usually require a simple majority to pass. However, if the General Assembly determines that the issue is an "important question" by a simple majority vote, then a two-thirds majority is required; "important questions" are those that deal significantly with the maintenance of international peace and security, admission
