Vanguard Engine Oil

*NOTE: Briggs & Stratton engines are not designed to run on E85 fuel.E85 is a blend of 85% ethanol (alcohol) and 15% gasoline, which is not compatible with most engines intended to run on regular gasoline. While alcohol is an excellent octane booster, it delivers less power, having an energy value of only about 77,000 Btu per gallon versus 114,000 Btu for regular gasoline.

Oil Recommendations | Vanguard® Commercial Power

For continuous-use, such as commercial lawn cutting or pressure washing, use Vanguard 15W-50 Oil (temperatures from -7°C to 54°C (20°F to 130°F)). *NOTE: Briggs & Stratton engines are not designed to run on E85 fuel.

Vanguard Oil | Briggs & Stratton

Vanguard: engine oil leak Lately I have oil spills on the left side engine bay. I don't know exactly where the oil is coming from but it most possibly comes from the lower left side cylinder (covered by the shroud) and during mowing it throws a lot of dirt with the oil (engine cooling fan throws the oil all around).

Vanguard: engine oil leak - Case Colt Ingersoll

The 18-HP Vanguard Briggs and Stratton engine features a full-pressureurized lubrication system. The oil in any engine acts as the lubricant to cool the internal moving components; as the oil ages from hours of use and heat from the engine, the oil's viscosity starts to break down.

How to Change the Oil In a Briggs & Stratton Vanguard 18HP ...

The Vanguard Oil Guard System is a factory-integrated technology, not an aftermarket add-on, so Vanguard's 3-year commercial engine limited warranty applies. Latest in Gasoline Engines

Vanguard Dramatically Extends Oil Change Intervals with ...

These new Vanguard engines oil management system allow for maintenance intervals (oil changes) for up to 200 hours. The industry standard for recommended maintenance on small engines is 100 hours, so Vanguard doubles this. By doubling the maintenance interval, ...
