50 Women Heroes Who Changed the World | by Mission ...

Heroism — especially in times of war — tends to produce gendered associations. We think of men fighting (and dying) valiantly, while women wait passively at home for their spouses to return. The historical record produces a different picture, however. Among the many heroes of World War II are these bad-ass women.

Women In World War 2: 8 Ladies Who Changed The Game

Women war heroes prove that bravery and endurance are not reserved for male military personnel. Many women have served on the front lines, in the resistance, behind the wheel of convoys, in the cockpits of outdated planes, and in hospitals patching up the injured with little more than a standard first aid kit.

Women Heroes of World War II: 32 Stories of Espionage ...

Women Heroes of World War II: The Pacific Theater I've been a fan of Kathryn Atwood since her original Women Heroes of World War II . which showcases 26 female heroines in Europe. Like most people, I'm more familiar with the European theater than the Pacific theater, but I believe it is important to fully realize the terrorism Japan caused during WWII.
