Column: Why geography matters for students now more than ...

Geography is important to history because it affects where a person chooses to live, it affects the way battles are fought and the way that people can interact with those living outside of their home region. Geography is the study of the Earth's landscapes, environments and the people who live in those landscapes and environments.

Why Is Geography Important to History? - Reference

A recent blog post by investor and stand-up comedian James Altucher (mentioned here) arguing that New York is dead forever attracted the hostility of many New Yorkers. Fellow comedian Jerry Seinfeld wrote a New York Times op-ed calling Altucher a "whimpering putz." Mayor De Blasio, naturally, agrees with Seinfeld. [read more »](#)
