Yoga Nidra

Yoga nidra is a state in which the body is completely relaxed, and the practitioner becomes systematically and increasingly aware of the inner world by following a set of verbal instructions. This state of consciousness is different from meditation, in which concentration on a single focus is required.

Yoga nidra - Wikipedia

Getting Started:Set up your Yoga Nidrapractice space by placing a bolster lengthwise on your mat and slipping a block under the top end, so that the bolster slants gently. Lie down with your sitting bones on the mat and with the bolster supporting you from the low back to the head. Place a folded blanket under your head for a pillow.
