The Case for Using a Paper Planner - The New York Times

AirAsia is a scam company. We booked a plane going from manila to tacloban booking number (UIYT9V) on 18 jan 2018. Plane was cancelled and we never got a refund. They simply do not make refunds. they just take your money and does nothing with it. But if 9000php is nothing for you then book them because its like throwing money out of the window.

@airasia posted on Instagram • Jul 6, 2018 at 10:00am UTC

Therefore, if you have never commented on a Planner task, and have no plans to comment on it in the future, you should never receive a comment notification in your inbox for said task. However, when you do post a comment on a task, you will receive email notifications in your inbox for each subsequent comment made on that task (even for comments made by other users).

New updates to Planner comment notifications and settings

The Planner team has lifted limits users may have hit in the past. We will continue to monitor usage and proactively increase limits as we see them needing to be raised. Although we won't be publishing official documentation on what these limits are, we do want to assure our users that Planner is a product that can scale well to a large group or organization.
